DEL NORTE

DEL NORTE

Precast Fireplace Mantel

The Del Norte is a multi-piece mantel. The lintel and cap is manufactured as separate pieces and are ordered to your desired length. Legs, leg backing and inlays are ordered as individual items. The inlay tray can accept various styles of our 6" inlays to match your décor. Plinth blocks can be cut to adjust for height. Hearths and flat stock are separate items and all products are available in paint grade and TraverStone finishes.
